Welcome

Balthasar Neumann Technical College Trier

(Balthasar-Neumann-Technikum Trier)

We are offering an advanced professional education as two-year full-time training or four-year part-time training. The degree "**State Certified Engineer**" (Staatlich geprüfter Techniker) can be obtained in

- automation engineering
- building construction
- building services engineering
- civil engineering
- electrical engineering
- mechanical engineering
- reconstruction of buildings
- technical management

See "Professional School for Technology" for further information.

And we are offering a **diploma from German secondary school** qualifying for university admission or matriculation. See "Technical High School / Grammar School" for further information.
