

Mold your
future at **Husky**

Supporting the
world's leading brands

Husky is a global company with a strong foundation built on innovation, close customer relationships, a strong sense of community and a unique culture and values. We are looking for people with the inspiration and talent to develop with us as we pursue our ambitious growth strategy and offer career development opportunities, as well as an apprenticeship and internship program.

Husky offers a wealth of opportunity for personal growth and development. Most importantly, Husky offers an opportunity to work with – and be challenged by – a team of great people. Our success is possible because of the creativity, intelligence and passion of our people around the world and their desire to lead change. At the same time, we are not afraid to expect a lot and strive for leadership in all of our key markets. We are a company taking on new challenges and for the right people this means exceptional career development opportunities, the chance to be part of a team that is the best in the world at what we do and the experience that comes from working in an environment that demands constant transformation and innovation.

Husky is an exciting company with tremendous potential. We have a great team and great expectations. If you are attracted to bold goals, believe in uncompromising honesty, support mutual respect, care about environmental responsibility, have a passion for excellence and a desire to make a positive contribution – then we want you to join the Husky team!
